Glocal Impact

Name:

Instructions: Watch the TED Talk by Bunker Roy and answer the series of questions regarding what it means to be a "Glocal Change-maker"

Work with a partner to come up with a common definition of a "Change Maker"

Step 1: Watch the TED Talk by Bunker Roy and come up with a list of characteristics he has that make him a "Change Maker." They should be single words or hyphenated words

Step 2: Answer the following questions about how an Individual can have a "glocal" impact.

1. What were the local implications of his project? How did this idea have an impact on communities and other individuals?

2. How was this project of global significance? How did this project contribute towards achieving global initiatives like the SDGs?
