

World Geography

TED Talk: Aris Venetikidis

Name:

Section:

Score: ____/5

Directions: Watch the TED Talk by Aris Venetikidis called “Making Sense of Maps” and answer the thought questions below.

Thought Questions:

1. How do we make a place “our own”?
2. What are “cognitive maps” and how do we use them?
3. Why is the London Tube map so significant?
4. What does the Dublin bus map and Aris’ project reveal about how we use maps to make sense of our worlds?
5. How is Aris able to identify a problem using maps, and how is he able to suggest a solution?
6. How are the Five Themes of Geography present in Aris’ TED Talk? Use specific references to at least three different Themes.
